

Short Information of Project

The PARIWARTAN project is implementing by EDC- Nepal in Doti district supported by EU and DCA since 2019. The short information of project are as follows.

Project Name:

PARTicipation, **I**nclusion and **w**ider CSOs **A**ction's for **R**esponsive, **T**ransparent and **A**ccountable Local Government in **N**epal (**PARIWARTAN**)

Overall Objective:

To increase citizens' meaningful participation in Sub-national-good governance in Nepal

Specific Objective:

To empower citizens and their organizations to effectively engage with the Sub-National Governments in promoting transparency and accountability in the governance processes in Province 7 of Nepal.

Total budget: For the 48 Months: 316,287 (In EUR)

Project staffs: 11 (Female 3)

The main action will:

- (i) Empower citizens through knowledge and capacity building supports,
- (ii) Promote participatory and inclusive decision making and planning processes,
- (iii) Promote e-governance at LG level for increased transparency and accountability
- (iv) Facilitate LG-PG interface for multiplier effect and
- (v) Strengthen multi-stakeholder engagement approach across the action.

Working Areas of PARIWARTAN - PROJECT

Expected Result of the project:

- 1. Increased knowledge and capacity among citizens and CSOs to engage with and hold the Local Government (LG) accountable for improving governance:**
- 2. Needs and interests of citizens especially poor and marginalized citizens (women, Dalits and ethnic groups) reflected in LG policies, plans and programmes:**
- 3. Inclusive and improved service delivery and monitoring mechanism established at LG level:**
- 4. Increased interactions among LGs and PG to support well-coordinated and need based development policies, plans and programmes in Province 7**
